Hong Kong Lesbian and Gay Film Festival (HKLGGFF) 2016

During this year's HKLGFF, the Red Ribbon Centre (RRC) supported screening of an HIV-related film "PARIS 05:59". Similar to last year, a series of film sharing sessions in eight university campuses will be held in September and October 2016 to raise HIV awareness and promote prevention. Celebrities will be invited to join the sharing sessions to discuss about HIV issues with the young people.
