## DH launches new APIs to promote early HIV treatment

DH has launched a new set of TV and radio Announcements in the Public Interest (APIs) on antiretroviral treatment on the World AIDS Day (1 December) to enhance the public awareness of HIV/AIDS. The theme of the API is *"In life, we move forward: Early treatment for a healthy life"* (生命就是不停步：及早治療擁抱健康生活); the objective of producing the new API is to introduce the advancement of HIV treatment which effectively contributes to a better disease prognosis and quality of life for people with HIV. Printed advertisements of the same theme have been placed at the MTR East Rail and West Rail lines since 3 December 2019.

## “New Paradigms in HIV Care” organised by CHOICE (25 October 2019)

A conference, “New Paradigms in HIV Care”, was organised by CHOICE on 25 October 2019. Dr. WONG Ka-hing, Controller of the Centre for Health Protection, DH was invited to deliver an opening address. Dr. Kenny CHAN, Consultant from DH presented “HIV Epidemic in Hong Kong”. Other speakers included HIV experts from the World Health Organization, the United Kingdom and Hong Kong.
