

香港愛滋病建議策略起草工作之 社區持份者諮詢會議2021

Community Stakeholders' Consultation
Meeting 2021
for the Development of Recommended
HIV/AIDS Strategies for Hong Kong

目的

Purpose

- 邀請持份者和各界就香港愛滋病策略的規劃及為草擬下一份香港愛滋病建議策略發表意見
- To engage stakeholders and the general public for providing inputs for the development of next HIV/AIDS Strategies in Hong Kong

具體目標

Objectives

目標〔一〕：檢討最新愛滋病流行趨勢及狀況，回顧相關的預防、治療、護理和支援等回應措施。

1. To report on and identify latest epidemiological trends and current responses in prevention, treatment, care and support.

目標〔二〕：鼓勵社群參與討論，並就愛滋病的預防、診斷、治療及護理提出意見。

2. To encourage small group discussion among delegates to share their experiences and ideas in the scope of HIV prevention, diagnosis, treatment and care.

具體目標

Objectives

目標〔三〕：綜合參加者意見，為下一份香港愛滋病策略作出建議。

3. To identify and connect common perspectives / themes among delegates and formulate recommendations for the development of the next HIV/AIDS Strategies for Hong Kong.

目標〔四〕：確立建議的優先次序。

4. To **prioritize** the above strategic recommendations.

Conclusion of meeting (15 min)

Discussion Topics 討論題目

Q1: Community Needs 社群需要

(15 分鐘 mins/5 分鐘mins*)

Q2: Strategies in Prevention, Testing/Diagnosis, and Treatment/Care
預防感染、測試及診斷、治療及護理的策略

(40 分鐘mins/15 分鐘mins*)

Q3. Other strategies 其他策略

(15 分鐘mins/5 分鐘mins*)

*小組討論後匯報 Report back after group discussion

討論原則 Principles of discussion

- 每人有發言時間
- Each participant should have a chance to speak
- 必須注意時間分配
- Please note the time management
- 不應只討論高危因素、現況批評及個人感受
- Not just discussing risk factors, commenting on current situation or personal feelings
- 提議內容應包括**實際行動**及**如何有效實施**。歡迎提議一些能**改變局面**的措施
- Should recommend actions and ways of effective implementation. Any game changer to turn the HIV trajectory is welcomed.

第一輪討論

Round 1

社群當前的需要是什麼？

例如：容易使他們受感染因素, 可促成更佳的測試, 診療及護理服務

What are the current needs of the community?

e.g. Factors contributing to rise of HIV infection,
Factors leading to better testing, diagnosis,
treatment and care services

(15 mins / 分鐘)

第二輪討論 Round 2

- 在您的社群中，針對以下三方面，有哪些防治策略應該**繼續**、**加強**、**新引入**、或**取消**，以改善愛滋病感染情況？請提供**具體建議**。
- What strategies needed to be **continued**, **strengthened**, **introduced**, or **dropped** in your community to improve the following areas for improving the HIV situation in HK? Please propose **concrete actions**.
 - (i) 預防感染 HIV prevention; 及/或 &/or
 - (ii) 愛滋病測試及診斷 HIV testing and diagnosis; 及/或 &/or
 - (iii) 連繫愛滋病治療及護理服務 linkage to HIV treatment & care; 及/或 &/or
 - (iv) 與社群相關的其他重要問題 Any other important issues relevant to the community

(40 mins / 分鐘)

第三輪討論

Round 3

除了剛討論的幾方面，還有哪些其他的防治策略應該予以**繼續**、**加強**、或**新引入**以改善愛滋病感染情況？

Any other strategies needed to be **continued**, **strengthened**, **newly introduced** other than the above?

(15 mins / 分鐘)

下列人士只能作觀察員的身份參與是次會議，不能提出意見，包括：

The following people can only participate as observers and should not raise any opinion :
